

BATTING KEY

A County Batter should be able to:

Demonstrate a Basic repeatable set up.

Demonstrate a Front and Back Foot Method of shot making.

Demonstrate consistency of contact.

Demonstrate a Fundamental Game Awareness/Plan.

Demonstrate decision making under Pressure.

Demonstrate good Hand Eye Co-ordination.

Demonstrate Ability to Make runs.

	1.Never	2.Rarely	3.Occasionally	4.Regularly	5.Consistently
Foot work F/B	Player fails to demonstrate any effective foot movement on front and back foot	Players rarely demonstrates ability to play on the front foot and is consistent on back foot or visa versa	Player occasionally demonstrates ability to play consistently front foot shots aggressively and defensively, and occasionally some ability to defend on the back foot.	Player regularly demonstrates ability to play competently on both front & back , but is inconsistent in executing attacking and defensive shots.	Player consistently demonstrates ability to play competently off front & back foot when playing attacking and defensive shots
Balance	Player fails to demonstrate ability to balance	Player rarely demonstrates balance: -instance -at point of release -point of contact	Player occasionally demonstrates balance: -instance Occasionally demonstrates balance at either: -point of release -point of contact	Payer regularly demonstrates balance: -instance -point of release -during shot execution. Player loses balance occasionally in one of the above.	Player consistently shows excellent balance : -instance -point of release -execution of shot
Contact	Player regularly misses ball or demonstrates ineffective contact with the ball	Player rarely makes contact with the ball in the middle of the bat.	Player occasionally makes contact with the ball in the middle of the bat, when either playing attacking or defensive shots	Player demonstrates ability to regularly make consistent contact in the middle of the bat, when both attacking and defending.	Player consistently shows ability to make contact in the middle of the bat when palying attacking and defensive shots, also demonstrates excellent timing.
Run Scoring	Player lacks ability to play correct shot to delivery and score runs in match situation	Player rarely show ability to play correct shot to delivery and rarely scores runs in match situation.	Player occasionally shows ability to play correct shot to delivery and occasionally scores runs in match situations.	Player regularly shows ability to play correct shot to the delivery but is inconsistent when placed under pressure. Player regularly scores runs, but is inconsistent in pressure conditions.	Player consistently shows ability to play correct shot to the delivery. He remains consistent under pressure and consistently scores runs.

Wicket Keeping KEY

A County Wicket Keeper should be able to:

Demonstrate a Basic repeatable set up with good posture.

Demonstrate the ability to move Multi directional

Demonstrate consistency of catching

Demonstrate a Fundamental Game Awareness/Plan.

Demonstrate good Hand Eye Co-ordination.

	1.Never	2.Rarely	3.Occasionally	4.Regularly	5.Consistently
Posture – Ability to move multi directional	Player fails to show good posture and a consistent set up Player fails to demonstrate any effective foot movement	Player Rarely shows good posture and a consistent set up Player Rarely demonstrates any effective foot movement	Player Occasionally shows good posture and a consistent set up but not all the time Player Occasionally demonstrates effective foot movement in different directions towards the ball.	Player Regularly shows good posture and a consistent set up but might occasionally fall out of position. Player Regularly demonstrates effective foot movement in different directions towards the ball.	Player consistently demonstrates good posture and moves very well towards the ball.
Big catching area	Player fails to demonstrate a big catching area	Player rarely demonstrates a big catching area: -at point of release -point where ball passes the bat -point of catch	Player Occasionally demonstrates a big catching area: -at point of release -point where ball passes the bat -point of catch Not often all together	Player Regularly demonstrates a big catching area: -at point of release -point where ball passes the bat -point of catch Often all together	Player has a consistently big catching area: -at point of release -point where ball passes the bat -point of catch
Strong head position	Player regularly has their head out of line of the ball and hands. Eyes aren't very level	Player rarely has their head in the line of the ball and hands. Eyes aren't often very level	Player occasionally has their head level and inline with the ball where possible.	Player demonstrates ability to regularly have a consistent head position when catching. Eyes level and in line with the ball where possible	Player consistently shows ability to have a good head position when catching. Eyes level and in line with the ball where possible
Chance taking	Player lacks ability to take a chance when the opportunity arises	Player rarely show ability to take a chance when the opportunity arises	Player occasionally shows ability to take a chance when the opportunity arises	Player regularly shows to take a chance when the opportunity arises but is inconsistent when placed under pressure.	Player consistently shows ability to take a chance when the opportunity arises. They are consistent under pressure

Pace Bowling key

A County Pace Bowler should be able to:

Demonstrate a Repeatable & Safe Action.

Demonstrate two of these Attributes Pace, bounce, Swing/Lateral Movement, Control

Demonstrate control of line and lengths and variations.

Demonstrate a Fundamental Game Awareness/Plan.

Demonstrate execution of skills under pressure.

	1.Never	2.Rarely	3.Occasionally	4.Regularly	5.Consistently
Action	Player has action that does not repeat every delivery Player has no momentum towards target Player has no balance at release and no aggression in approach.	Players rarely repeats action. Player rarely bowls with momentum towards target. Player rarely demonstrates balance at point of release and aggression in approach.	Player occasionally bowls with an action that repeats. Player occasionally bowls with momentum towards target. Player occasionally demonstrates balance at point of release and aggression in approach.	Player regularly bowls with action that repeats. Player regularly bowls with momentum towards the target. Player regularly shows balance at point of release and aggression in approach.	Player bowls consistently with action that repeats. Player consistently bowls with momentum towards the target. Player consistently shows balance at point of release and aggression in approach.
Outcome Movement	Player fails to demonstrate any of the following criteria: -high pace -generate bounce -lateral movement either of the pitch or air Player lacks ability to deliver line and length to their choice Player lacks ability to deliver variation in speed, lateral movement and angle ,to line and length of choice.	Player rarely demonstrates ability in any of the following criteria: -high pace -generate bounce -lateral movement either of the pitch or air Player rarely demonstrates ability to deliver line and length to their choice Player rarely demonstrates ability to deliver variation in speed, lateral movement and angle to line and length of choice.	Player occasionally demonstrates ability in one or more of the three following criteria: -high pace -generate bounce -lateral movement either of the pitch or air Player occasionally demonstrates ability to deliver line and length to their choice Player occasionally demonstrates ability to deliver variation in speed, lateral movement and angle to line and length of choice.	Player regularly demonstrates ability in one of the three following criteria and show signs of demonstrating a 2 nd : -high pace -generate bounce -lateral movement either of the pitch or air Player regularly demonstrates ability to deliver line and length to their choice Player regularly demonstrates ability to deliver variation in speed, lateral movement and angle to line and length of choice.	Player regularly demonstrates two of the following three criteria: -high pace -generate bounce -lateral movement either of the pitch or air Player consistently demonstrates ability to deliver line and length to their choice Player consistently demonstrates ability to deliver variation in speed, lateral movement and angle ,to line and length of choice.
Tactical Mental	Player lacks ability to demonstrate appropriate tactics to bowl successfully in match situations Player lacks ability to set their own appropriate field positions Player lacks ability to show positive body language.	Player rarely shows ability to demonstrate appropriate tactics to bowl successfully in match situations Player rarely shows ability to set their own appropriate field positions Player rarely shows ability to show positive body language.	Player occasionally shows ability to demonstrate appropriate tactics to bowl successfully in match situations Player occasionally shows ability to set their own appropriate field positions Player occasionally shows ability to show positive body language.	Player regularly shows ability to demonstrate appropriate tactics to bowl successfully in match situations Player regularly shows ability to set their own appropriate field positions Player regularly shows ability to show positive body language.	Player consistently shows ability to demonstrate appropriate tactics to bowl successfully in match situations Player consistently shows ability to set their own appropriate field positions Player consistently shows ability to show positive body language.
Wicket Taking	Player lacks ability to take wickets through their own doing.	Player rarely takes wickets through their own doing.	Player occasionally takes wickets through their own doing.	Player regularly takes wickets through their own doing.	Player consistently takes wickets through their own doing.

Spin Bowling key

A County Pace Bowler should be able to:

Demonstrate a Repeatable & Safe Action.

Demonstrate Ability to spin the ball.

Demonstrate Control of line and lengths and variations.

Demonstrate a Fundamental Game Awareness/Plan.

Demonstrate Execution of skills under pressure.
